Immediate Past

President

Dr Shree Krishna Singh

Secretary

Dr Sanjay Arya

Treasurer

Dr Rajesh Choudhary

To All Friends of Bihar and Jharkhand,

This is the **clarion call** to one and all to rally support for the **31st BJMA Annual Scientific Congress 2010**.

The **Royal Armouries venue in Leeds** is so impressive that it has to be seen to be believed.

For the delegates there will be **scientific lectures galore** which will not follow the usual set pattern but will enthuse you by targeting **unmet needs, controversies in medicine and horizon gazing!**

The non medical associates will also be catered to.

Apart from the ambience of the river flowing by on which you can enjoy a **river cruise**, provision has been made for you to take a trip down the history of medieval England by sauntering through the **Armouries museum (free of charge)**.

There will be Knights in armour **jousting** for your pleasure and the thrill of **falconry** will be there for you to experience.

Evening will usher in the grand sit down **banquet** which will be accompanied by the mind blowing "**Las Vegas Show**". Following this you can **dance the night** out with the **DJ** in tow or **play** at the **Roulette** or **Blackjack** table with **croupiers** at hand.

The next day you can regain your adrenaline rush by "**Go- Karting**" if you dare or go on the river cruise if the night before has left you with a bruise.

In fact we promise to make this occasion so exhilarating that you would not want to leave but then when you will reluctantly do so you will have the **souvenir** to treasure as it will have **abstracts of all the scientific lectures** together with **invited articles** from **eminent historians and senior bureaucrats** in India giving you an amazing **insight into the history of Bihar and Jharkhand through the ages**.

But for that you need to book early and avoid disappointment.
