Dr Anil Sharma

Dear Friends,

Team Chester is pleased to announce that we are holding the 37th Annual congress of the Bihar Jharkhand Medical Association (UK) at Aston Villa Football Club's Stadium, Villa Park in Birmingham on the 2nd and 3rd of July 2016.

The entire team is working hard to make the weekend a memorable event. We have arranged a scientific meeting, a variety of entertainment programmes with the finest cuisine from a renowned caterer along with various events for the younger generation, including a free guided tour of Villa Park Stadium.

Despite the escalating costs involved in organising such a big event, we have managed to keep the delegate fee to a very reasonable level. We hope that you would encourage your family and friends to attend in large numbers and make the programme a big success.

Kindly complete the attached registration form with your payment and return it ASAP. We are enclosing a list of hotels with contact details for you to make reservation for your stay in Birmingham. We have negotiated a good rate with one of them. It is extremely important that you reserve your accommodation as soon as possible so as to avoid any disappointment.

Further details of the programme and travel directions will be sent to you upon receiving your completed registration form along with payment. Additional registration forms can be downloaded from our BJMA (UK) website at www.bjma.org.uk.

We look forward to seeing you all at Villa Park in Birmingham on the 2nd and 3rd July 2016.

Anand Prakash

Dr Anand Prakash
