Dear friends,

We are very pleased to announce that the 41st BJMA event will be held at the Harrogate Convention Centre on the 11th & 12th July 2020.

The 2-day event will incorporate scientific sessions, entertainment, artisan stalls and good food. As usual, our members are working hard to make all of these sections a huge success. We are hoping to have interesting topics delivered by the enthusiastic young speakers; gifted artists showcasing their talent for your enjoyment; a fabulous evening of enjoyable entertainment and food that tickles your taste buds!

Harrogate is an idyllic and picturesque Yorkshire town and we hope you can plan your weekend to explore this beautiful venue. You will be pleased to know that the delegate fee remains as last year at £90 (see below). The success of such a huge event can only be ensured by a large attendance. This is where we need your help and motivation. We would encourage you to bring along your family and as many friends as you would like, and treat this as a family affair, to make this event successful.

Attached is the registration form, kindly complete the form & enclose the payment at your earliest convenience. This will enable the committee members to work seamlessly and organise with less stress!

Also attached to this email is a link to a few hotels of choice in Harrogate, if you would like some guidance on where to stay during your visit. We have negotiated a discount at the Crown Plaza Hotel, so you could try there first (please quote BJMA 2020 when calling 01423 849900 during office hours). Needless to say, this should be done at the earliest to secure your stay.

More details of this year's programme will follow soon. For wider information on the event, please visit www.bjma.org.uk

Best wishes for the New Year and we look forward to seeing you all on the 11th & 12th July 2020 at the Harrogate Convention Centre.
